

**Daily Internet PLC**  
**Interim results for the period ended 30<sup>th</sup> September 2008**

The board of Daily PLC are pleased to announce their second unaudited interim results since admission to PLUS Markets.

**Chairman's Statement**

The first six months of trading after launch into PLUS have been extremely positive.

We have continued to expand our product portfolio having launched several new services during the period and have achieved strong customer loyalty and improved revenue-per-customer. This in turn has driven continued month on month growth in domain and shared service numbers equating to a growth rate of 53% for the period 31 March 2008 to 30 September 2008.

We have also continued to make significant improvements in marketing efficiencies and reductions in overhead cost and are pleased to announce that the Operating Loss for the six month period to 30 September 2008 of £469,000 is on plan.

Over the coming period we aim to continually develop and source new services to augment the existing range and will continue to place emphasis on delivering an exemplary level of customer service with an approachable and personal feel, thereby driving a high level of customer acquisition and strong customer loyalty.

I take this opportunity to thank all our shareholders for their continued support and to look forward on behalf of the management team to continued growth in the coming period.

Abby Hardoon  
Chairman
